

Co-organiser

CONFERENCE ON "FACILITATING INDUSTRIAL SUSTAINABILITY & POLLUTION PREVENTION THROUGH GREEN CHEMISTRY"

7th November 2023 | The Westin Mumbai Garden City

Expected Participants:

Govt. & Regulatory Bodies working in the domain of Environment (E.g. CPCB, State PCBs, MIDC, NEERI, Etc)

Objectives:

- To facilitate Capacity Building of State Pollution Control Board Officers & other Government & Regulatory Bodies.
- To introduce concepts Resource Efficiency & Circular Economy & how it contributes to Pollution Prevention.
- To facilitate State PCBs "learning from each other's initiatives"
- To connect to 30 Environment Solution Providers exhibiting at IGCW-Expo.
- To discuss possibilities of collaboration with Industry and Industrial Associations to facilitate Prevention of Pollution.

Session Mentors

Dr. Ajay Deshpande, Adjunct Professor, Centre for Policy Studies, **IIT-Bombay**

Dr. Atul Vaidya, Director, **CSIR-NEERI**

Timing	Speaker	Topic / Title of Presentation
08:30 - 09:30	Registration, Tea/Coffee, Networking, Visiting IGCW Expo	
09:30 - 09:45	Welcome by Mentors: Acknowledgement, Self-Introduction, Creating Context for the Conference	
09:45 - 10:30	 Prof. Paul Anastas, Director, Centre for Green Chemistry & Engineering at Yale, USA	Keynote: Balancing act of Regulator & Facilitator - Learnings from US EPA
10:30 - 11:00	 Mr. Devang Thaker, Member Secretary, Gujarat Pollution Control Board (GPCB)	Gujarat's Journey towards framing state-level Circular Economy Policy
11:00 - 12:00	Tea/Coffee Networking Break, Visiting IGCW Expo.	
12:00 - 12:35	 Dr. Prasad Modak, MD, Environment Management Centre & Director, Ekonnect Knowledge Foundation	Can we regulate industrial pollution through standards based on resource efficiency?
12:35 - 13:15	 Dr. Atul Vaidya, Director, CSIR-NEERI	Hazardous Waste Management Rules
13:15 - 13:25	 Dr. Pranav Tripathi, Deputy Director - Sustainability, Indian Chemical Council (ICC)	Responsible Care: A Path to Improve Safety and Sustainability in Chemical Industry
13:25 - 13:45		2 Presentations by Industry / Industry Association on "Industry Initiatives"
13:45 - 15:00	Lunch Break, Visiting IGCW Expo.	
15:00 - 15:30	 Dr. Rahul Nabar, Associate Professor, Chemical Engineering Dept., IIT-Bombay	An overview of recent Global regulatory and policy developments in Sustainability and Environmental protection
Panel Discussion: Management of Environmental Pollution of MSME based on Clustering & Industrial Ecology Approach		
15:30 - 16:30	 Moderator: Mr. Mahesh Patil, Chairman, Goa State Pollution Control Board (GSPCB) and Expert Member, GCZMA	 Dr. Avinash Dhakane, IAS, Member Secretary, Maharashtra Pollution Control Board (MPCB) TBC  Dr. Bharat Jain, Member Secretary, Gujarat Cleaner Production Center (GCPC)
	 MoEF Representative Mr. Vinod Babu, Division Head & Director - Waste Management, Central Pollution Control Board (CPCB) (Invited)	
	 Dr. Vipin Sharma, IAS, CEO, Maharashtra Industrial Development Corporation (MIDC) TBC	
	 Mr. Rajen K. Mariwala, President, Indian Chemical Council (ICC) , (Invited)	
16:30 - 17:15	 Sharing of Innovative Initiatives by senior representatives of State Pollution Control Boards (By Invitation) • Dr. Vijay Singh, Former Chief Environmental Engineer, Rajasthan State Pollution Control Board (RSPCB) • Gujarat Pollution Control Board (GPCB) • Tamil Nadu State Pollution Control Board (TNSPCB)	• Goa State Pollution Control Board (GSPCB) • Andhra Pradesh Pollution Control Board (APPCB) • Telangana State Pollution Control Board (TSPCB)
17:15 - 17:30	Closing Remarks & Acknowledgements by Conference Mentors	
17:00 - 18:00	Tea/Coffee Break, Visiting IGCW Expo
